

HE Fees, Refund and Compensation Policy

1. Introduction

- 1.1 The purpose of this policy is to provide a framework within which the College's fee setting, refund and compensation processes are devised and operated.
- 1.2 The policy also sets a framework for ensuring that comprehensive information and guidance regarding fees is available and accessible to prospective learners, staff and Governors.

2. Scope of this policy

This policy applies to all fees for all HE courses (Level 4 and above).

3. Fee Remission & Waivers

- 3.1 Fee remission is not available for students of any age enrolling on HE courses.
- 3.2 The College cannot waive exam, registration or certification fees where these apply.
- 3.3 Tuition fees can only be waived with the express permission of the Vice Principal Finance & Resources.

4. Higher Education Provision

- 4.1 Students enrolling on an HE course can pay for their course
 - With a Student Loan
 - In full on enrolment or via a payment plan with the College
 - Via an employer/ sponsor paying in full on enrolment
- 4.2 In many cases, students will be eligible for a loan from the Student Loans Company to pay for their course. This will be repayable through the PAYE system once the student begins to earn over the published annual threshold. Please check carefully with the Student Loans Company for eligibility.
- 4.3 For all learners, materials fees reflecting actual costs may also be charged.
- 4.4 For all learners, mandatory equipment charges may be charged.

5. Payment of Fees

- 5.1 Fees become payable in full on enrolment. Learners can sign up for a payment plan to spread the cost of their course.
- 5.2 Learners whose employer has agreed to pay their fees are required to submit a completed Employer Authorisation Form from their employer at the time of enrolment confirming that they will cover the full cost of the course. The normal method of payment will then be for the College to issue an invoice for full payment, this is due within 30 day payment terms.
- 5.3 Fees quoted may apply for one or two years. Where a course runs over more than one year and the full course cost is not charged in full on enrolment, future year fees apply. Please check the website carefully to understand fees due.
- 5.4 Students funding their course with a Student Loan need to have an approved loan application in place by the end of October half term. Any student who cannot produce a letter of confirmation that the loan has been granted at that date must make a payment of 50% of the course fee to the College to continue attending the course. If the letter of confirmation is still unavailable at the start of the spring term, a second payment of 50% of the course fee must be made to the College. Failure to make these payments will result in the student being withdrawn from the College. Upon presentation of a letter of confirmation any fees paid under section 5.4 will be refunded.
- 5.5 Any student who has not paid their fees in full by the end of the month prior to the planned end date of their course
 - Will not have assessed work marked and returned;
 - May have exam certificates withheld;
 - Will not be permitted to progress to the next year of study or enrol on another course;
 - Will not receive references;
 - Will have their outstanding debt passed to a debt collection agency for recovery. The debt collection agency will apply charges. This might impact on a student's credit rating and ability to obtain finance in the future.

6. Refunds

6.1 Students attending a course lasting an academic year or more, who withdraw will be charged as detailed below, in line with Student Finance England rules. These rules apply regardless of the method used to pay for the course.

Application of a withdrawal fee commences from the first week of teaching.

- Students leaving within 14 days of their course start date will not receive a refund of any deposits, registration fees or regulatory prepayments paid prior to registration unless exceptional circumstances apply but the College will refund any other tuition fees that the student has paid.
- Students withdrawing before the end of the first term will be liable for 25% of the annual tuition fee. This is dependent upon written notification of withdrawal being received by the College prior to the commencement of the second term.
- Students withdrawing during the second term will be liable for 50% of the annual tuition fee. This is dependent upon written notification of withdrawal being received by the College prior to the commencement of the third term.
- Students withdrawing during the third term will be liable for the full year's fee.

6.2 Where a course is cancelled by the College, full refunds will be made to students.

6.3 Where a learner is withdrawing as a result of personal circumstances, or where the learner can demonstrate the College has failed to deliver what could reasonably be expected, then an application for a refund should be made using the complaints procedure. The College may require provision of evidence to justify any request for refund on compassionate or medical grounds.

6.4 If a student is excluded from College for misconduct no refund will be granted.

6.5 Refunds will not be made for personalised kit or materials which are being retained by the student or any registration fees which have been paid to another party by the College on behalf of the learner

6.6 In all cases, any refunds processed will be subject to an administration fee of 10% of the course fee, up to a maximum of £50.

- 6.7 If the course fees have been paid by employer/sponsor and the student withdraws or leaves their employment, no refund will be made.

7. Compensation

- 7.1 In the unlikely event that it is not possible to preserve continuation of study necessitating a transfer to an alternative, the arrangements outlined below will apply.
- 7.2 Where it is necessary as a result of action by the College (such as course closure) for students to transfer to an alternative provider or there is a change in the location of the course (which was not notified to the student prior to the commencement of the academic year) the College will consider appropriate compensation for additional travel or other costs directly attributable to the change of continuation of study.
- 7.3 The College's priority will always be to ensure that students receive the education experience outlined in College course information (whether on-line or in hard copy format) and their learning agreement. Where, as a result of an investigation through the Complaints Policy, it is concluded that this has not been the case, appropriate financial or other compensation may be offered. Alternatives to financial compensation might include an apology or goodwill gesture, an offer of alternative learning methods if the course cannot be delivered in the way it was originally intended or repeat delivery of the relevant course element may be offered where possible.
- 7.4 The College is aware of the OIA (Office of the Independent Adjudicator) guidance on considering whether it is appropriate to recommend compensation payments to higher education students for distress and inconvenience and will refer to their guidance when developing individual plans.

8.1 The following rules apply to transfers where a student:
